

ExxonMobil

Taking on the world's toughest energy challenges.™

the outlook for energy: a view to 2030

www.exxonmobil.com

Tom Eizember
Planning Manager, Strategy Division
Corporate Planning

This presentation includes forward-looking statements. Actual future conditions (including economic conditions, energy demand, and energy supply) could differ materially due to changes in technology, the development of new supply sources, political events, demographic changes, and other factors discussed herein (and in Item 1 of ExxonMobil's latest report on Form 10-K). This material is not to be reproduced without the permission of Exxon Mobil Corporation.
